

Deepdene Bears Cricket Club Inc.
Juniors - 2007/8

Welcome back to all those returning from prior seasons and a big welcome to the Deepdene Bears for all new players.

Over the years the Club has sought to ensure all players develop their skills and enjoy their cricket whilst playing in the true spirit of the game. This will again be a focus.

As a result of the drought and ground works at both Deepdene and Stradbroke Park practice and games may be disrupted until mid November. This has been exacerbated by our expansion from 7 to 11 teams this season. We are attempting to secure alternative facilities for this period. In the meantime, practice will be at Strabroke Park and facilities will be stretched - please bear with us (no pun intended).

The following pages contain details of teams, managers, coaches and grounds for 2007/8. If your team has made alternative practice arrangements please ignore the schedule. Please ensure Managers and Coaches are informed of any unavailability, for those playing 2 day matches this means being available for both weeks of the match.

We are awaiting delivery of shirts and caps. If they don't arrive before the first match, please wear a white shirt and an old cap in the interim.

For older boys and fathers of all ages looking to progress into senior cricket on Saturday afternoons, the Club has 4 Turf XIs and 1 Synthetic XI. Father/son participation is often possible in the lower grades.

If you have any concerns or suggestions as to how we can improve the operation of our Junior Programme please call David Doolan (0419 335991) or Club President Tim Norton (0418 170562)

Fixtures are being progressively posted in w/c 7 October.

Have a great season.
