

Deepdene Bears CC – Junior Registration 2010/11

Saturday, 11th September 2010.

Deepdene Park.

10am – 12noon.

The Deepdene Bears Cricket Club Junior Registration Day will be held at Deepdene Park Chatfield Avenue, Deepdene ([Melways: Map 46 Ref A8](#)) on Saturday, 11th September, from 10.00am until 12 noon.

Based on last year's numbers, we look like having 2 teams in each Under 10's, 14's and 16's and 3 in Under 12's. Age groups are based on the age of the child as at 1 September (ie. If they are 12 years old at 1 September they are eligible to play in Under 14's).

The first game of the season is fixtured on Friday 15th – Sunday 17th October.

This year a junior committee has been formed to develop and enhance the junior program at Deepdene. The committee is Philip Dunmill, Andrew Watt, Kathleen O'Connell and Andrew Wells. If you are interested in assisting in any way during the year or joining please contact one of the committee.

At present coaches have not been allocated to teams, and if you are interested in coaching please indicate this to a committee member as there positions available. Training nights and times will be allocated after coaches and ground availability are known.

We are still looking for a Milo co-ordinator so if you would like to volunteer for this role once again contact a committee member.

During 2010/11 it is planned that the coaching of the teams will be supported with coaching clinics and attendance of senior players at a number of training nights. In addition to the playing of cricket, three social events are also planned (Oct, Dec and Feb) for both parents and children, which will be on Saturday afternoons and will incorporate the last sessions of a Deepdene Bears first eleven's match.

Subscriptions (no change from last year)

\$190.00 (Club shirt and cap inclusive)

\$80.00 for 2nd and subsequent children,

If you already have a Club shirt and cap, subscriptions will be

\$160.00

\$50.00 for second and subsequent children.

The Deepdene Bears will as usual conform to the ECA requirements that all adults involved with teams (coaches and managers) will have a current Working with Children certificate.

If you are unable to attend the registration day and to avoid disappointment please complete the registration form and forward you subscription payment to:
